GOD BLESS AMERICA

Dr. Bob Werner

Please take notice that I have canceled the nine week study on Simple Church. Much misunderstanding has led some to believe that I would lead the church to change many things that we are doing. My goal was to lead the church to see what we are doing and evaluate its effectiveness in accomplishing our goals and objectives.

It is true that I have asked ministry leaders to cancel their Fall activities so that we could focus all our activities on outreach. This would include several major outreach events, like the Travis Cottrell Concert on September 12th, the Fall Carnival on October 31st that we will have offsite at Waplehorst Park this year, a Fall revival meeting led by a leading evangelist and Sunday school lessons for October, November and December on how to reach those who are outside of Christ.

This does not mean that we stop ministering to those who are already reached, but that we focus on those outside of Christ during the last four months of the year. Please clear your calendar for the Fall. Let's pray that God will use us to reach the lost people in our community. Let's pull together and settle our differences so that this can happen.

Summer Camp at Shepherd of the Ozarks

Summer is here and that means camp! We have a fantastic time of fun in the sun planned for our teenagers August 2 – 6 at Shepherd of the Ozarks. We will be riding horses, tubing the river, climbing the ropes course, exploring the Ozark Mountains and God's Word. Our camp Pastor will be Landon Dowden. Landon is Pastor at Cross Point Baptist Church in Baton Rouge, LA. Our praise band will be Harvest. We need you to come to camp next month as we examine God's Word and follow Him with our life. ADULT MINISTRY

Jerry Dudley Everyday I'm reminded and overwhelmed by the **lostness** of our own community. That literally breaks my heart. Here we sit in a beautiful church building surrounded by the blessings of God and confident of our home in heaven while people walking distance of us are dying without eternal hope. I believe we are going to be held accountable for our stewardship of the gospel, especially in our own backyard. Therefore, we are going to focus on evangelism this fall with EVERY Bible study class teaching the same thing each week the months of October, November and December.

We are going to learn better how to share our faith. The process will be easy to learn and uncomplicated. There will not be lengthy memorization like some plans have but we will learn to share Christ in everyday situations with ease. We will pray for opportunities to share as well as pray for the lost people we already know. The Sunday morning sermons will correspond with what you will be learning each week in Bible study. What you learn each week will be reinforced in the worship service through inspiring and challenging messages. There will also be scheduled opportunities for your witness at major community events hosted by us.

Get your suitcase packed because we're going on a mission trip without leaving home! Begin now praying and preparing your hearts. Become a cheerleader for the gospel.

WOMEN'S MINISTRY

Our **WOM QUILTERS** recently donated their king-sized, hand quilted and embroidered quilt to the Missouri Baptist Children's Home Annual Strawberry Festival to be auctioned off. The quilt won 2nd prize in it's category and it brought the highest auctioned amount. Susan Shepard, who had done the embroidery, was the proud owner at the outcome.

Festival of the Little Hills

Mark your calendars for the Festival of the Little Hills. This year it is August 20, 21 & 22. We have booth sign ups starting the last Sunday in July.

PRAYER MINISTRY

PRAYER MINISTRY TOUCHES LIVES!

FIRST BAPTIST CHURCH has an active and effective 24 hour prayer ministry that ministers not only to church members, but to the community at large and even around the world. The ministry is 19 years old and is supported by 80 prayer intercessors of the church. Each intercessor serves one hour a week and prays for many diverse needs and concerns of believers and unbelievers alike. Not only do they pray, but many write prayer grams as an encouragement to the person for whom they prayed.

Last month 259 prayer grams were written and mailed throughout the nation. Scores of lives are touched and hope is given at a very difficult time in their lives. A few years ago a man was saved through one of the prayer grams he had received. It is an awesome ministry.

Jeanette from AZ writes...

"Thanks to all who have prayed for me through the years as I have battled cancer. The prayer grams seem to come at a time when my spirits need a lift."

Rick from MO writes...

"Your prayers and prayer grams are very special to me. I have kept all of them and on my bad days, I read them again. Your church has really ministered to me during a very difficult time in my life."

Julie from WA writes....

"Thanks so much for your prayers and your prayer cards. What a wonderful ministry your church has."

John & Bonnie from St. Charles write...

"We deeply appreciate your prayers, cards and thoughts from week to week. We miss being there and doing our part to serve."

A note about Virginia from AR... This dear little lady was so grateful for all the prayer grams she received that she wrote each prayer warrior an individual note of thanks.

This is a sample of the feedback we receive from those that have benefited from the prayer ministry. The blessing you receive by serving in this ministry far outweighs the time spent. If you are interested in serving in the prayer ministry please contact me.
